**Agenda Wording:**

Consideration and action adopting the tentative expenditure limitation budget for Marley Park Community Facilities District for FY2023; directing publication of said tentative budget; and setting a public hearing on June 7, 2022, at 5:30pm at the City of Surprise Council Chambers, 16000 N. Civic Center Plaza, Surprise, Arizona; Resolution MPCFD #2022-01.

---

**Motion:**

I move to approve Resolution MPCFD#2022-01.

---

**Background:**

On February 12, 2004, Council adopted Resolution No. 04-51 forming the Marley Park Community Facilities District ("MPCFD"). The attached resolution and budget is in conformance with all agreements and provides for the operating and capital budget of the MPCFD. Although a separate legal entity, the information included on these forms was also included on the city of Surprise budget forms to conform with Arizona State Auditor General requirements. The FY2023 tentative budget includes \$13,079,200 of appropriation for the issuance of potential bonds. The bonds would fund the reimbursement of up to \$12,503,000 of completed infrastructure.

---

**Objective Analysis:**

The Marley Park Community Facilities District was formed to acquire public infrastructure through the issuing of bonds repaid with a district specific property tax. This allows for above standard infrastructure or additional amenities to be built within the district. Residents pay for this infrastructure and amenities through an additional property tax that is only levied within the district.

---

**Policy Compliant:**

This resolution is compliant with City and Council Policy, as well as Arizona state law.

---

**Financial Impact:**

The tentative budget will allow for the expenditure of up to \$15,788,300 within the district. This includes \$13,079,200 for a potential borrowing to reimburse up to \$12,503,000 of infrastructure.

---

**Budget Impact:**

Adoption of the tentative FY2023 budget establishes spending limits and allocated public resources to specific uses within the MPCFD. As presented, this budget is balanced.

**FTE Impact:**

This resolution does not impact the number of FTEs.
