Consideration and action to appoint Stephen Gaddis to fill the vacancy on the City Audit Commission for the remainder of the term June 30, 2024.

---

### **Motion:**

I move to appoint Stephen Gaddis to fill the vacancy on the City Audit Commission for the remainder of the term June 30, 2024.

---

### **Background:**

## **Sec. 2-296. - Member selection and replacement process.**

The following process will apply to all openings or vacancies for appointment to a public body, unless otherwise indicated in the ordinance or resolution creating the body:

(a)

*Application process.*

(1)

Upon notice of a vacancy, the city clerk will promptly notify the nominations committee chair, and post all vacancies on the city website. Vacancies will also be posted at all designated posting locations, no later than three business days after a vacancy is created and continue such posting until the position is filled.

(2)

The city clerk will maintain and distribute applications to all persons interested in being a member of a public body.

(3)

All persons, including current members seeking reappointment, interested in becoming a member of a public body must submit an application to the city clerk's office. Only applications received by the city clerk's office may be considered for body vacancies. Members with expiring terms who submit a timely application will automatically be nominated for reappointment unless the nominations

committee decides to open the reappointment process to competition. Notice of the nomination committee's decision will be provided to the member no less than ten business days after referral by the city clerk. The committee's decision is final and may be with or without cause.

(4)

All applications will be accepted on an open rolling basis and will be maintained as an active application for four years.

(b)

*Boards and commissions nominations committee.*

(1)

The mayor will designate one city council member to serve as the chair of the nominations committee, who will serve on an ongoing basis until such time as the mayor makes a new designation.

(2)

The chair will select two additional city council members to serve on the nominations committee. At the discretion of the chair, the chair or designee of the respective public body may also serve on the nominations committee.

(3)

The nominations committee will interview all qualified applicants. All applicants will be asked the same questions in order to ensure that a fair assessment can be made of each applicant; however, additional questions may be asked for purposes of clarification after the standard questions have been asked.

(4)

The committee will submit the names of qualified applicants selected for nomination to a public body to the city clerk on an agenda action form. The committee, in its sole discretion, may submit the name of a qualified applicant who has completed the application process through interview, for any subsequent vacancy occurring within ninety days of the applicant's interview. In the event the committee exercises this discretion, the application process set forth in this section is waived.

(5)

The committee shall investigate and resolve, short of removal, any allegation of nonfeasance or malfeasance against a public body member. In the event the committee is unable to satisfactorily resolve the matter, or because of the severity of the substantiated conduct, the committee concludes removal is appropriate, the committee shall submit a report including findings and conclusions and a recommendation to city council for consideration and action. Economic Development Director Jeanine Jerkovic have a presentation about the Surprise Economic Development Update and Retail Leakage. She presented the following: a recap of the October retreat, workforce is the driver, retail status, land use & 2040 Vision, Retail Demand Analysis, and Land use case study. She remarked about the growth of the city in a short amount of time.

Mayor Hall asked what was the short-term benefits and if it included rental tax? Jeanine said it was actually on the construction side. He asked what goes into the 10 to 1 on the long term? Jeanine said the multifamily steadies out for the long term with economic behavior.

Jeanine said that suburban communities have been doing very well. She then listed the talent base of the city workforce. She then talked about the retail status of the City. She said that the

City was in a "catch up" mode with other cities in the region. She said 50 square feet per person as standard. She then compared our land use to the rest of Maricopa County. She talked about the amount of land needed to grow the retail portion of the city. She said we need to be more intentional with where we want to put this in the future. She then shared information about Retail Leakage within the city. Jeanine listed the top retail categories in the City. She categorized the differences between the areas within the City. She remarked about the potential of growth Grand Avenue. She went over the different land use possibilities to consider. She went over the pros and cons of different development possibilities. She stated that the workforce is the driving force for making a quality environment.

Councilmember Haney asked if there was a major leakage problem north of the 303? He said that the Frys is the talk of the area and wondered if the leakage in that area could be corrected with future commercial properties? Jeanine said that there is a leakage issue and that there is an opportunity to correct that with opportunities to build commercial developments that would make the workforce happy.

Mayor Hall asked about the hierarchy of development, access and visibility. He said that if we have commercial property that doesn't have either of those, then it's going to be developed later in the game. He said that developers won't buy land that caters to those concerns. He cautioned about future development that neglected that. He wants to see an inventory of the property in North Surprise that has those features. He said that the state land near North Surprise was a time hindrance but a consideration. He said that the land south of bell would have an impact of any leakage as well. He said we need to be careful of the development we do there. He talked about the future growth happening on the northside of Grand and asked why we couldn't get developers out there? Councilmember Haney talked about the excitement of people who showed up to the Fry's opening. Mayor Hall asked where the commercial development in North Surprise is right now? And what could fill that retail demand? Attorney Robert Wingo said that we could incentivize different uses for the land we control.

Councilmember Remley talked about the differences with Maricopa County and the City. He talked about the use of office space within the City. He asked with the development we've been having if there is more interest being shown to City Hall area. Scott Phillips said that offices are a strained situation due to Covid. He said that there are practically no vacancies within the City. He said our goal is to make a "Class A" project. He said we're not at the point where the demand is there yet for attorneys' offices. Councilmember Remeley said that the type of tenants within a legal office are relatively high-income individuals, who would be good for the City. Councilmember Remely then asked if we could have a conversation about the mix use of properties? He then talked about the economics of growth.

Vice-Mayor Judd asked where healthcare was on the list of land use? Jeanine said it could be under different categories. He then asked what the data actually means to the residents? Retail leakage means residents are leaving Surprise to buy elsewhere. He said that if the City is able to meet the leakage needs, it means a potential tax revenue that the City could use and better serve our residents.

Councilmember Cline talked about Retail Leakage. She then talked about healthcare within the City and the number of opportunities within the City. She said that it would be fun to see where we've grown in those areas in the future. She talked about making sure our residents know about commercial opportunities within the city.

### **Agenda Wording:**

Consideration and action pertaining to approval of the Final Plat entitled, “Final Re-Plat Toll at Prasada, Unit Q – Phase 3 – SF” and dated February 9, 2023, a property generally located west of Cotton Lane, between Cactus Road and Peoria Avenue; Case FS22-0974.

---

### **Motion:**

I move to approve the Final Plat entitled, “Final Re-Plat Toll at Prasada, Unit Q – Phase 3 – SF” and dated February 9, 2023.

---

### **Background:**

The subject request involves a Re-Plat for Unit Q, Phase 3 of the Toll at Prasada project. The subject property was included in the Toll at Prasada, Phase 2 Master Plat that was approved under case FS19-061.

---

### **Objective Analysis:**

The subject Final Re-Plat meets the requirements of the Prasada PAD, in addition to other requirements as set forth in the LDO. All city reviewing departments have reviewed the request and expressed no concerns.

---

### **Policy Compliant:**

The Surprise General Plan 2035 shows the subject property as lying within the Neighborhood Character Area, which supports residential development of up to 8 DU/Ac or more, provided appropriate transitions are made between the various Neighborhood types included within the character area. The subject request will not alter the density of the development and Unit Q, Phase 3 is consistent with the General Plan. The site also lies within the 0-6 DU/Ac ribbon of the Luke Air Force Base Graduated Density Concept; however, the site is integral to the larger Sterling Grove project, which is approved for 2,207 lots overall and meets the guidance offered by the GDC.

---

### **Financial Impact:**

While this item does not have an immediate or direct financial impact, ongoing development activity in the City will inevitably have a future financial impact as additional resources are needed to provide city services.

---

**Budget Impact:**

There is no anticipated budget impact related to this item.

**FTE Impact:**

This item does not have an impact on current staff levels.

The proposed Final Plat is in substantial conformance with the Preliminary Plat, is consistent with the Prasada PAD and other regulatory documents, and the reviewing agencies have expressed no objections to the approval of the Final Plat.

#### **CONFORMANCE WITH ADOPTED PLANS:**

**Surprise General Plan 2035:** The Surprise General Plan 2035 shows the subject property as lying within the Neighborhood Character Area, which supports residential development of up to 8 DU/Ac or more, provided appropriate transitions are made between the various Neighborhood types included within the character area. At 3.74 DU/Ac, the project most closely aligns with the Suburban Neighborhood type and is consistent with the General Plan in this regard. The site also lies with the 0-6 DU/Ac ribbon of the Luke Air Force Base Graduated Density Concept; however, the site is integral to the larger Sterling Grove project, which is approved for 2,207 lots overall and meets the guidance offered by the GDC.

#### **REVIEWING AGENCIES:**

In addition to the standard city reviewing agencies, who indicate no objections to the requests, Luke Air Force Base, Maricopa Water District, and Maricopa County Flood Control District were included in the routing of this case. These agencies also indicate no objections.

**PROJECT DESCRIPTION:**

Diego Ortiz of HILGARTWILSON, on behalf of Asante Development Partners, LLC, seeks approval of a Master Plat for Asante Planning Area 3. The applicant seeks to subdivide the subject property into 11 units and offsite roadway improvements to Pat Tillman Boulevard, 166<sup>th</sup> Drive, Asante Boulevard, Happy Valley Road, and Cottontail Lane. Ten of the units will be developed with single-family residential and one unit will be developed

as a clubhouse. Subsequent Final Plats will be required for each of the single-family residential units, and a site plan review will be required for the clubhouse.

Of the total acreage for this Master Plat, approximately 24 acres are reserved for right-of-way and approximately 219 acres are reserved for the various units.

### **SURROUNDING LAND ZONING:**

The following map depicts the existing zoning of the subject site and its surrounds:

|              |                     |              |
|--------------|---------------------|--------------|
| PAD – Asante | PAD – Asante        | PAD – Asante |
| PAD – Asante | <b>PAD – Asante</b> | PAD – Asante |
| PAD – Asante | PAD – Asante        | PAD – Asante |

### **BACKGROUND:**

**November 3, 1988:** The City Council approved Ordinance 88-24 for the annexation of the subject property.

**November 24, 2004:** The City Council approved Ordinance 04-41 for the Asante Planned Area Development under case PAD04-124.

**August 29, 2022:** A minor amendment to the Asante PAD was approved administratively under case FS22-0756 to modify street alignments, school and amenity site locations, and development standards.

**November 17, 2022:** The Planning and Zoning Commission approved a Preliminary Plat for Asante Planning Area 3 under case FS22-0781.

**November 18, 2022:** The applicant filed the subject case, FS22-1524.

**ANALYSIS AND DISCUSSION:**

The subject request includes a Master Plat for Planning Area 3 of the Asante PAD. No individual single-family lots are being platted as a part of this request. Subsequent Final Plats will be processed for the single-family units within the Master Plat area. A separate site plan will be submitted for the clubhouse unit. The subsequent Final Plats and home products will be consistent with the Preliminary Plat and the Asante PAD requirements.

***Phasing, if applicable***

The applicant plans to submit separate Final Plats for each single-family unit within the Master Plat area.

***Access***

Access to the development will be from Pat Tillman Boulevard on the south side and Happy Valley Road on the north side. Both roadways will provide access to 163<sup>rd</sup> Avenue to the east. On the east side of the Plat, 166<sup>th</sup> Drive provides an additional connection between Happy Valley Road and Asante Boulevard.

Internal circulation will be provided between the units of the Master Plat and will be platted on separate subsequent Final Plats.

***Open Space & Landscaping***

Open space will be identified on the subsequent Final Plats for each of the units within this Master Plat. Landscaping will incorporate native and low water use plants, as required by the City, and will be consistent with the overall Asante Development.

**Utility and Services Table:**

|                  |                                |
|------------------|--------------------------------|
| Water:           | City of Surprise               |
| Wastewater:      | City of Surprise               |
| School District: | Dysart Unified School District |

**Conformance with Adopted Plans:**

The Surprise General Plan shows the subject property as lying within the Neighborhood Character Area, which supports residential development of up to 8 dwelling units/acre or more. The Preliminary Plat for this area as well as subsequent Final Plats will be consistent with the General Plan in this regard.

This request is consistent with the General Plan in that it promotes connectivity to existing and future development within the Asante PAD for a range of mobility options.

14. **Assignment Prohibited.** The Foundation shall not assign any rights acquired hereby, without first obtaining the written consent of the City.
15. **Non-Appropriation.** The City's obligations to fund the Scholarship pursuant to this Agreement, including Section 4 above, are contingent upon the City Council's appropriation of funds sufficient to fund the Scholarship, and making such funds actually available for payment by the City of expenses incurred herein. The City shall be the sole judge and authority in determining the availability of funds under this Agreement and the City shall keep the Foundation fully informed as to the availability of funds. The obligation of the City to incur expenses pursuant to this Agreement is a current expense of the City, payable exclusively from such annual appropriations, and is not a general obligation or indebtedness of the City. If the City Council fails to appropriate money sufficient to pay the amounts as set forth in this Agreement during any immediately succeeding fiscal year, this Agreement shall terminate at the end of then-current fiscal year and the City shall be relieved of any subsequent obligation under this Agreement.

## HUMAN SERVICE AND COMMUNITY VITALITY

**Date:** April 18, 2023  
**To:** Mayor and City Council Members  
**From:** Adam Lane, Housing & Community Services Supervisor  
**Re:** Program Year 2023 CDBG Annual Action Plan – Approval

### **Introduction**

As a recipient of Community Development Block Grant (CDBG) and HOME Investment Partnership funds, the City of Surprise is required to complete an Annual Action Plan to allocate anticipated funding from the Department of Housing and Urban Development (HUD), and to prioritize goals and projects that will be addressed with the annual allocation.

The Program Year 2023 Annual Action Plan is the fourth year of the 2020-2024 Consolidated Plan. The Action Plan will set funding priorities for the Program Year 2023 (July 1, 2023 – June 30, 2024) based on the Goals and Objectives set in the Consolidated Plan.

### **Background**

A key feature to these grants from the Department of Housing and Urban Development (HUD), is the City's ability to choose how the funds will be used. HUD provides a wide range of eligible activities that can be utilized with funding. The Consolidated Plan helped to determine the most pressing needs of the community, and develop effective, market-driven strategies to meet those needs. As a review, the high priority needs and goals identified in the Consolidated Plan are as follows:

1. Maintain and increase the availability of **Affordable Housing**.
2. Invest in **Public Facility Improvements**.
3. Support **Public Services**.
4. Continue **Planning & Administration** of HUD funded programs.

Over the course of the Plan, the following **Goals** and Outcomes were established:

1. Housing Rehabilitation
2. Tenant Based Rental Assistance (HOME)

3. Develop Affordable Rental Housing (CDBG & HOME)
4. Housing Services in support of the HOME program.
5. Public Facility Improvements
6. Public Services
7. Administration & Planning

### **Analysis of Impediments to Fair Housing Choice (AI)**

In accordance with the applicable statutes and regulations governing the Consolidated Plan, the City of Surprise certifies that they will affirmatively further fair housing, by taking appropriate actions to overcome the effects of any impediments identified in the Analysis of Impediments to Fair Housing Choice and maintaining records that reflect the analysis and actions in this regard.

Affirmatively furthering fair housing is defined in the Fair Housing Act as taking “meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics”.

#### **Fair Housing Goals:**

1. Review zoning and municipal codes for barriers to housing choice.
2. Increase availability of accessible housing.
3. Promote homeownership and rental opportunities in areas outside of racially or ethnically concentrated areas of poverty (R/ECAPs).
4. Enhance community services in R/ECAPs.
5. Promote community and service provider knowledge of fair housing and ADA laws.

### **Program Year 2023 Annual Action Plan**

The CDBG allocation for Program Year 2023 is **\$766,813**. There are no match or leverage requirements for CDBG, however the City has allocated approximately \$75,000 for program administration and program service delivery. Funding requirements cap Administration and Planning at 20% of the allocation, as well as 15% for Public Service activities.

To meet the Goals and Objectives identified in the 2020-2024 Consolidated Plan and AI, the following projects are recommended:

1. **Affordable Housing – \$170,000**  
Rehabilitation including acquisition of single-family homes for low-and moderate-income homeowners.
2. **Tenant Based Rental Assistance (\*HOME funding) – \$252,694**  
Rent and utility subsidy for LMI households.

3. **Housing Services – \$95,000**  
Services in support of the HOME program.
4. **Public Facility Improvements – \$243,951**  
Improvements to public facilities that serve LMI persons or located in LMI areas.
5. **Public Services (15%\*\* – \$104,500**  
Services for LMI persons who are seniors, disabled, homeless, or at risk of becoming homeless.
6. **Planning & Administration (20%) – \$153,362**  
Expenses related to administering the program, preparing planning documents, and Fair Housing activities.

\*HOME funds will be approved through the Maricopa HOME Consortium Annual Action Plan process.

\*\*15% cap calculation includes previous year Program Income.

## **2023 Subrecipients**

HUD allows the City to evaluate its own institutional capacity and make decisions on how to best administer the program. The City can select nonprofit organizations or entities, as defined in 24 CFR 570.204(c), to act as a subrecipient to carry out eligible activities that address the 2020-2024 Consolidated Plan Highest Priority Needs.

For Program Year 2023, City staff evaluated existing subrecipients as well as past subrecipients whose projects aligned with high priority needs and organizational capacity. Reviewers utilized defined criteria that evaluated each subrecipient based on a PASS or FAIL threshold, as well as a scaled scoring evaluation that determined projects that are low risk, more closely aligned with identified needs, and most beneficial to the city in carrying out objectives.

## **Subrecipient Evaluation**

### **Threshold Criteria**

Subrecipients that do not meet the PASS threshold criteria will not be considered further.

- ✓ Anticipated to be completed within Action Year
- ✓ Meets eligibility requirements applicable to proposed project

- ✓ "Cost (10 points)"
- ✓ "Experience working with HUD Funded Programs (20 points)"
- ✓ "Method of Approach (15 points)"
- ✓ "Partnering/Complementing/Duplicating Services (5 points)"
- ✓ "Consistency with Identified Priority Needs (25 points)"
- ✓ "Pledge of Leveraging Resources (5 points)"

To meet the **Goals and Objectives** identified in the 2020-2024 Consolidated Plan and AI, the following Subrecipient activities are recommended:

## Introduction

The City of Surprise, Arizona, receives an annual entitlement allocation from the U.S. Department of Housing and Urban Development (HUD): the Community Development Block Grant (CDBG) program and HOME Investment Partnership Program (HOME).

A key feature of these grants is the City's ability to choose how the funds will be used. HUD provides a broad range of eligible activities that can be utilized with CDBG funding. The City must determine which of the eligible activities will best serve the needs of the community. In order to determine the most pressing needs and develop effective, place-based market-driven strategies to meet those needs, HUD requires grantees to develop a Five-Year Consolidated Plan.

The City of Surprise 2020-2024 Consolidated Plan identifies priority needs and goals to which CDBG funds should be allocated. The 2023 Program Year (PY) will be the fourth year of the current five-year Consolidated Plan. The Program Year will start on July 1, 2023, and end on June 30, 2024. This Annual Action Plan will identify available resources and outline the use of the available resources during the Program year to meet the needs of the community. The available resource for Program Year 2023 includes CDBG Entitlement funding. As a member of the Maricopa HOME Consortium, the City will receive HOME funding through an agreement with the Consortium. Although the funding is allocated in the Consortium 2023 Annual Action Plan, the City will consider that funding when making decisions for its Annual Action Plan. For Program Year 2023, the City does not anticipate any Program Income to be received.

## Summary of the objectives and outcomes identified in the Plan

The Surprise's 2020-2024 Consolidated Plan is a five-year strategic plan that provides an outline of actions for the community as it works toward meeting the housing and community development needs of its low and moderate-income and special needs households. The plan identified the following high priority needs:

1. Increase access to and support the development of affordable housing.
2. Support public facility improvements in the Original Town Site.
3. Support public services for low- and moderate-income persons who are disabled, homeless, at risk of becoming homeless, as well as life skill training for youth.
4. Continue to provide planning and administrative support to deliver HUD-funded programs and fair housing activities.

The City of Surprise will allocate funding to meet the goals and objectives outlined in the Consolidated Plan. In Program Year 2023, projects will invest entitlement funds to continue to supporting the following:

1. Housing Rehabilitation
2. Housing Services
3. Public Facility Improvements
4. Public Services
5. Planning & Administration

The City of Surprise has an experienced and dedicated staff to oversee and administer the requirements of the Community Development Block Grant and HOME funding. The City will continue to make affordable housing one of its highest priorities in PY2023 by continuing to invest in housing rehabilitation. Through both City and Subrecipient administered programs, the City will help to preserve existing affordable housing stock and create new homeownership opportunities for low- and moderate-income households. With some of the fastest rising rents in the nation, the City will help to alleviate the burden of high rental rates by supporting the City's Tenant Based Rental Assistance program, as well as providing new access to transitional/bridge housing. These programs will help homeless or at risk of becoming homeless families achieve stable housing.

Program Year 2023 will be the third year of the program following the unprecedented COVID-19 Pandemic. The national crisis has driven an already vulnerable and unaffordable housing market into uncharted territory. Low-and Moderate-Income families have continued to be placed at risk of becoming homeless and actually becoming homeless. The City of Surprise will continue to make investments in public facilities to help persons who are homeless or at risk of becoming homeless. These facilities will provide emergency housing, access to housing resources and other public services to help households achieve housing stability. The City will also continue to support its most vulnerable populations by funding Public Services. Through non-profit partnerships and program sub-grantees, the City will help to provide essential services to seniors, disabled persons, homeless, and persons at risk of becoming homeless.

The City is also committed to meeting the goals and objectives identified in the Analysis of Impediments to Fair Housing Choice (AI). The goals and objectives were identified through a joint effort with the Maricopa County HOME Consortium. Insufficient affordable housing in a range of unit sizes, and insufficient accessible affordable housing continue to be high priority impediments to fair housing in Surprise. The City will continue to promote community service provider knowledge of fair housing and ADA laws through community engagement and education classes.

Finally, the City is committed to administering the program efficiently, and in compliance with the requirements of the funding source. To that end, the City will allocate funding for Planning & Administration of the program and its projects. The effective planning of projects is essential to maintaining program compliance, leveraging funding, and project underwriting that ensures the City's investments are protected and create valuable outcomes for the community.

## **Evaluation of past performance**

The City is building upon the previous experience and success that the City had with utilizing HUD funding for housing rehabilitation, public services, and public facility improvements. In addition to the five-year Consolidated Plan and Annual Action Plan, the City must complete a Consolidated Annual Performance and Evaluation Report (CAPER) to maintain compliance with the grant program. To date, the City of Surprise has successfully completed all of the regulatory reporting requirements, and successfully reported the accomplishments of previous Annual Action Plans for the planned expenditures. During the first three years of the Consolidated Plan, the City enacted its goal to support affordable housing by funding the Housing Rehab program and housing services for the Tenant-Based Rental Assistance Program. Additionally, the City funded Public Facility Improvements that helped to complete a youth baseball field in the Original Town Site of Surprise. Public services were supported through non-profit partners and other City Departments to provide essential services to the most vulnerable residents.

And finally, the City received CDBG-CV funding through the CARES Act and was able to quickly plan and administer the funding to help low- and moderate-income residents who had been impacted by the COVID-19 Pandemic. In Program Year 2022, the City utilized CDBG-CV funding to help establish the West Valley Housing Assistance Center. This new center will provide seven (7) units of non-congregate short-term housing, as well as supportive services for persons who are homeless or at risk of becoming homeless. The City will continue to support the programs created utilizing CDBG-CV funding in Program Year 2023 to help those impacted by the pandemic.

## **Summary of citizen participation process and consultation process**

Citizen participation plays an integral role throughout the planning and development of the Annual Action Plan. Participation of its Citizens in the process is desired to ensure the City is utilizing the resources towards projects that its residents have identified as a high priority. Additionally, effective citizen participation helps to better inform the public, identify hidden community needs, bring forward citizen ideas, and generate involvement and commitment to proposed solutions.

Citizen participation began with the creation of the five-year Consolidated Plan. During the formation of the Consolidated Plan, the City conducted extensive community outreach and participation. The outreach included community forums conducted in the City's Original Town Site, a targeted area. Additionally, a Consolidated Plan questionnaire was provided to gain input from the community. A total of two hundred twenty-three (223) residents responded to the questionnaire.

The Community Needs Assessment included nine (9) focus groups with over one hundred twenty (120) participants. Group interviews were conducted with thirty-nine (39) individuals, each of whom was a recent receiver of public services. The results of the Needs Assessment was a guiding document which assists in prioritizing plans, initiatives, and programs to meet growing or unmet human service needs in our city.

In January 2023, the City held two (2) community stakeholder meetings to help update the Community Needs Assessment and provide an update on the progress of the strategic plan. These input sessions administered by Vitalyst Health Foundation invited both internal City staff, as well as external stakeholders to evaluate the City through its Elements of Healthy Community Wheel. Vitalyst defines a healthy community as “One where people have the opportunity to make healthy choices in environments that are safe, free from violence, and designed to promote health. Factors that influence health range from early childhood education to quality housing and jobs, and include many other areas of community development such as financial inclusion, access to health clinics and healthy food, sustainable energy, and transportation.”

For the PY2023 Annual Action Plan, the City continued to build on the successful Citizen participation that helped to formulate the Consolidated Plan. On February 8, 2023, the City conducted the first of two (2) public hearings held during the formation of the Annual Action Plan. This “Needs” hearing gave citizens and local stakeholders an opportunity to comment on the needs of the community and bring forward ideas to meet those needs. A second public hearing was held on April 12, 2023. This final public hearing allowed citizens and stakeholders to comment on the draft Annual Action Plan. All public hearings were publicly noticed in English and Spanish with a legal advertisement placed in the local newspaper, a post to the City website, and via social media posts.

Prior to the second public hearing, a thirty (30) day review and comment period was conducted from March 8, 2023 through April 12, 2023. This comment period allowed citizens and stakeholders to review the draft plan and submit written comment on the draft. The draft plan was made available for review on the City’s website, at City Hall, the Senior Center, the Surprise Resource Center, the Hollyhock Library, and the Housing Authority of Maricopa County.

## Introduction

The City of Surprise believes that input from residents and stakeholders is vital to identifying the City's housing, community development, and human service needs. The Consolidated Plan, Analysis of Impediments to Fair Housing Choice, and the Annual Action Plan are developed with an emphasis on community and stakeholder input. In 2019, the Veterans, Disability and Human Services Commission (VDHS) completed a Community Needs Assessment, *Surprise a Community That Cares*.

This needs assessment is the first of its kind for the City to be commissioned in conjunction with the City's Veterans, Disability and Human Services Commission and the City Council for use in the City's planning process. The assessment includes long-term and short-term goals, program and fiscal considerations, prioritization of needed services, and program/resource decision making. The community needs assessment will assist the VDHS Commission in aligning a strategic plan with the identification of data-driven needs and opportunities. The initial population groups the City chose to explore as a part of this study to determine the human services needs in Surprise are as follows (in alphabetical order): homeless individuals and families/youth, individuals with disabilities and special needs, low- to moderate-income individuals and families/youth, seniors, survivors of violence (domestic, sexual, and hate crimes), and veterans.

During the formation of the City's Consolidated Plan and the Needs Assessment, the City brought together community stakeholders, residents, community leaders, and faith-based leaders to help identify the highest priority community needs and set goals to meet those needs. The City held nine (9) focus groups with over one hundred twenty (120) participants. A community stakeholder meeting brought together one hundred forty (140) community members. The City also held target outreach meetings in the Original Town Site with residents of the target area.

Many of the stakeholders who participated in the Consolidated Plan process were consulted for this Annual Action Plan. The City also held a homeless coalition forum, bringing together local homeless and housing service providers, and City departments and staff, to discuss homelessness and affordable housing in Surprise.

The City hosted two public meetings during the formation of the Annual Action Plan. These public hearings held at the regular meetings of the VDHS Commission, gave community stakeholders and residents opportunity to review the draft plan and budget, and give input into the draft plan.

**Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))**

The City of Surprise consulted with the Housing Authority of Maricopa County regarding the creation of additional affordable rental units, the need of rental assistance, and new rental housing construction in the city of Surprise. Additionally, Surprise has consulted with other housing, health, and service providers to provide services at the Heritage at Surprise, developed by the Housing Authority.

The City of Surprise collaborates with other West Valley cities through the West Valley Municipal Human Services Collaborative meeting on a monthly basis to discuss needs and funding priorities. City staff also coordinates the City of Surprise Homeless Collaborative quarterly meeting. The Collaborative brings together housing assistance providers, service providers, and other City departments to share resources and information to help coordinate efforts.

In January of 2021 the Veterans, Disability & Human Services Commission finalized their Strategic Plan. The Strategic Plan aligns with the Community Needs Assessment and will provide recommendations to the Surprise City Council for prioritization of enhanced service delivery infrastructure with the City of Surprise. These recommendations will be based on the expertise of the Commission, as well as the data and highlighted needs outlined in the assessment.

**Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness**

Surprise Staff members continuously consult with the region's CoC, as well as support regional efforts to address the needs of homeless persons and persons at risk of homelessness. City staff participated with Maricopa Association of Governments (MAG) and its regional homelessness initiatives to help develop *Pathways Home – A Regional Homelessness Action Plan for Local and Tribal Governments*. As part of MAG's Regional Homelessness Coordination Team, staff helped to develop the regional strategies adopted by the MAG Regional Council in May 2021. The development of the regional strategies was deeply informed by extensive community outreach, with input from more than, 1,500 people. City staff will continue to work with the MAG team to enact the regional strategies in Surprise and throughout the West Valley.

For Surprise low-income renters in 2021, 83% were severely housing cost burdened spending more than 50% of their incomes on rent alone. Severely Cost Burdened Households are being pushed to the brink of homelessness every day and cannot withstand national disaster or crisis situations. The COVID-19 Pandemic exacerbated the problem, driving residents from stable housing into homelessness.

In Program Year 2021, in response to the COVID-19 Pandemic and the resulting affordable housing and eviction crisis, the City partnered with A New Leaf to establish the West Valley Housing Assistance Center. The center, to be fully open in PY 2023, will provide non-congregate short-term emergency housing, access to Coordinated Entry, and rapid re-housing and tenant-based rental assistance. Access to other services will be provided to help move persons into stable housing in under thirty days. This strategy aligns with the CoC's priority goals for regional strategies to address homelessness.

In January 2023, Surprise participated in the annual Point in Time Count to reach out to sheltered and unsheltered homeless persons in our region to assess needs. Surprise coordinated volunteers through various partnerships with city departments and community organizations. The 2023 Surprise Point in Time Count found 58 persons unsheltered. The West Valley Unsheltered Homeless count has risen from 135 in 2016 to 435 in 2020. According to MAG, from 2016 to 2019, unsheltered homelessness in the Maricopa County region increased by 94% and the unsheltered homeless rate in the West Valley increased by 213%.

**Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards and evaluate outcomes, and develop policies and procedures for the administration of HMIS**

Discussions on the allocation of ESG funds are discussed at Maricopa Regional Continuum of Care meetings. Surprise currently does not receive ESG funds however, frequents the continuum of care ESG subcommittee to participate in discussions about determining resource allocation, performance standards and policies and procedures.

Beginning at the end of 2020, HSCV staff began participating in the CoC regional homelessness initiatives, in an effort to create a comprehensive regional homelessness strategy. Staff has participated in multiple forums and surveys to help develop the strategy, which includes allocation of available resources, and administration of programs to end homelessness.

**Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdictions consultations with housing, social service agencies and other entities**

**How was the Agency/Group/Organization consulted and what are the anticipated outcomes of the consultation or areas for improved coordination?**

The Housing Authority is a HUD-designated agency responsible for housing programs in Maricopa County, Arizona. The Housing Authority's primary jurisdiction includes 22 communities and all unincorporated portions of the Metropolitan Phoenix area and surrounding cities as a service area larger than 5 states with a population in excess of 4 million people. HAMC was consulted for the need for additional affordable rental units in Surprise, and coordination on their new senior housing project.

**Identify any Agency types not consulted and provide rationale for not consulting**

The City of Surprise invited all area agencies, groups, and organizations to participate in the community needs assessment. During the PY2023 Annual Action Plan, the City consulted with a cross section of area stakeholders to help identify solutions. No agency types were intentionally omitted from consultation.

## **Summary of citizen participation process/Efforts made to broaden citizen participation. Summarize citizen participation process and how it impacted goal setting**

Citizen participation plays an integral role throughout the planning and development of the City's Consolidated Plan and Annual Action Plan. The City conducted a Community Needs Assessment in 2019, held multiple public meetings, provided outreach in the Original Town Site (geographic priority area), conducted a survey, and met with stakeholders.

The results of the community outreach during the formation of the Consolidated Plan provided a foundation to be applied during the Annual Action Plan Citizen Participation process. In addition, staff will continue to find ways to inform and engage the community.

For Program Year 2023, Citizen Participation began with technical assistance and application process for eligible Subrecipients. The TA workshop and discussion was held with potential applicants on February 1, 2023. The application was open from February 16, 2023 through March 17, 2023. On February 8, 2023, a public "needs" hearing was held at the regular meeting of the Veterans, Disability, and Human Services Commission. This hearing allowed opportunity for citizens and stakeholders to comment on the formation of the plan. On March 8, 2023, a 30-day comment period was opened. The comment period gave the public opportunity to review the draft plan and make written comments. A final public hearing was held on April 12, 2023 at the regular meeting of the VDHS Commission meeting. This final public hearing allowed citizens to make comment on the draft Annual Action Plan before it was presented to City Council for approval. Any comments received were accepted and summarized in this plan.

The City also completed a comprehensive housing needs analysis and market demand study. The housing study was developed through a public process that both educated the community of Surprise's housing needs and engaged the community in meaningful discussion of options that could be implemented to address them. The public engagement efforts included targeting segments of the community that are often marginalized and do not participate. The process included multiple strategies for involving interested residents and stakeholders, including efforts to connect with residents in lower income categories who experience the greatest challenges with securing safe and adequate housing. Such efforts included one-on-one interviews, workshops, social media outreach, community survey, site visits, stakeholder interviews, developer interviews, and focus groups.

## Introduction

The City of Surprise prioritized goals and objectives for using CDBG funding to strategically and effectively benefit low- and moderate-income residents by supporting the creation of affordable housing, investing in public facility improvements, and supporting public services. The City will receive a CDBG allocation in the amount of \$766,813 for PY2023. The City will receive HOME funding through the Maricopa HOME Consortium. Those funds are allocated in the Consortium's AAP, however the funds are considered here when making funding allocations.

The City does have CDBG and HOME funding from previous program years that is unspent as of the date of this Annual Action Plan submittal. These funds are fully allocated to projects in previous Action Plans, and are not being reallocated to different activities. Therefore, previous years funds are not accounted for in this Annual Action Plan.

**TABLE 1 – EXPECTED RESOURCES – PRIORITY TABLE**

**Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied**

The City of Surprise allocates approximately \$75,000 annually from the City General Funds for CDBG staff salary in support of program administration and project delivery.

The projects outlined in the Strategic Plan which are implemented by outside agencies are anticipated to use CDBG funding to leverage their initial financial resources. Match is not a requirement for funding to be awarded, however match and leverage is considered in funding awards.

Many of the development activities outlined in the Strategic Plan and Annual Action Plan receive substantial leverage from the City's general fund, development incentive programs, and other programs designed to encourage economic growth. Leveraged resources are reported in the Consolidated Annual Performance and Evaluation Report (CAPER).

The City of Surprise offers incentives for new affordable housing developments in the Original Town Site. Surprise provided over \$275,000 in development fee reduction in the Heritage at Surprise project. Surprise continues to find ways to leverage funding for matching requirements.

Subrecipients are not required to provide match and/or leverage for their projects, however all program partners contribute additional non-federal funding towards their respective projects. This ensures CDBG and HOME funding are being invested to expand programs and increase project capacity.

**If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan**

The City is looking to improve public facilities in the Original Town Site, a low- and moderate-income area. The City will continue to evaluate locations on public owned property over the course of the Consolidated Plan. In general, the areas of need described in the *General Plan 2035*, *Parks and Recreation Master Plan*, and *Human Services and Community Vitality in Surprise – A Community that Cares* will help to guide the locations of investment. As the City continues to grow, additional property may be identified that would be suitable for utilizing HUD funding.

The City of Surprise owns the land for the Heritage at Surprise project. Additionally, Surprise owns 17 acres in the Heritage District of the Original Town Site and in PY2021 partnered with the Housing Authority of Maricopa County (HAMC) to support HAMC's application for a HUD 202 Senior Housing project to be constructed on the city-owned property. HAMC was awarded \$9.1 million for the 99-unit affordable housing project, which is anticipated to be completed by 2024.

In Program Year 2022 the Surprise City Council approved a new Multigenerational Community

Resource Center to be constructed on the remainder of the City-owned property. In partnership with Maricopa County, the new multigenerational community resource center will serve as a long-term investment in Surprise's economic resiliency and community well-being and increase opportunities for prevention and mitigation programs and services.

## Discussion

The City does not anticipate any program income in excess of \$25,000 during the program year.

| Goal Description                       |   | Funds will be used to provide direct assistance to low-income households who need help paying their rent. Tenant-Based Rental Assistance (TBRA) is a rental subsidy that helps make up the difference between what a renter can afford to pay and the actual rent for a home. These services are in support of the HOME program.                                                                                                                                                                                                            |                              |                    |      |                   |      |

## Introduction

The strategies listed in this plan address the first-year allocation for the City of Surprise in Program Year 2023. The City will be managing the majority of the CDBG funding directly. Projects align with the priority needs of the community: create and support affordable housing, invest in public facility improvements in the Original Town Site, support public services, and maintain the administration/planning of HUD funded programs.

## Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City of Surprise chose first-year action plan projects based upon the needs of the community identified in *Human Services & Community Vitality - A Community That Cares* (2019), input from stakeholders and residents, and the recommendation identified in the *Maricopa HOME Consortium - Assessment of Impediments to Fair and Affordable Housing*. The City continues to evaluate past and present projects to ensure that money is being utilized in an efficient manner that best helps solve the challenges faced by Surprise's low- and moderate-income residents.

## Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City will limit low mod area benefit (LMA) to public facility improvements in the Original Town Site (OTS). All of the other projects in the 2023 Action Plan will occur citywide.

The **Original Town Site (OTS)** is the historic center of Surprise. It is just over one square mile, 664 acres in area -- bounded by Bell Road on the north, Dysart Road on the west, Greenway on the south, and El Mirage on the east. Grand Avenue (U.S. 60) and the Santa Fe railroad tracks angle through the area, separating the north and south portions of the neighborhood.

The OTS is remarkable in its variety. Existing conditions range from the oldest, original residences and businesses in the City, to the Bell Road Corridor shops, restaurants, hotels and offices as well as public facilities, commercial development and new housing within the neighborhood. There are also vacant parcels, properties in need of rehabilitation, and marginal land uses that are prime candidates for redevelopment.

## Geographic Distribution

| Target Area              | Percentage of Funds |
|--------------------------|---------------------|
| Original Town Site (OTS) | 75                  |

Table 27 – Geographic Distribution

## Rationale for the priorities for allocating investments geographically

The City is actively working to improve the Original Town Site (OTS) and has identified the high priority need for public facility improvements.

The Original Town Site (OTS) of Surprise currently includes over 16% of undeveloped lands within its boundaries, in addition to many vacant properties. The ultimate pattern of revitalization supports design strategies and public improvements that capitalize on the cultural aspects of walkability and “front yard-living” that provide the basis for a vibrant, culturally diverse community, while providing regional connectivity and expanded services. Current planning efforts for this area include the Village 1 Plan and the Specific Plan for the revitalization of the OTS. The OTS is also a designated Opportunity Zone.

## Discussion

The City will limit low mod area benefit (LMA) to public facility improvements in the Original Town Site (OTS). All the other projects in the 2023 Action Plan will occur citywide.

## Introduction

The City has made affordable housing one of its highest priority needs for the Consolidated Plan year. Actions over the five-year period include the preservation of affordable units through owner-occupied housing rehabilitation, providing rental assistance through tenant-based rental assistance, and the development of new affordable rental units. The lack of multi-family housing in Surprise is one of the biggest contributing factors to the high rental rates in Surprise.

### **Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment**

The City of Surprise strategy to remove or ameliorate barriers to affordable housing is to leverage resources and develop partnerships to create new affordable housing units. For instance, in the Surprise Heritage District, the City provides financial incentives to promote both residential and commercial development that will aid in the revitalization of the Original Town Site. Incentives include:

- New residential development on parcels zoned either SHD-RO or SHD-CO shall receive a 100% waiver of the City of Surprise Development Impact Fees
- New, qualifying commercial development may request a 100% waiver of Building Plan Review, Building Permit, and City of Surprise Development Impact Fees at the approval of City Council.

In accordance with the Analysis of Impediment Fair Housing Goals, the City of Surprise will review zoning ordinances for areas that restrict housing development. For instance, the City has a lack of multi-family housing with less than 1% of existing residential units being multi-family. The City will work with city officials, developers and housing stakeholders to review and develop the zoning ordinances to support more multi-family housing.

In Program Year 2022, the City began work on a comprehensive housing needs analysis and market demand study to help the City develop a comprehensive strategy to address housing needs within the community. The purpose of this housing study is to analyze the housing stock and housing market within the City of Surprise, inventory existing housing resources, identify gaps in the local housing market, identify trends that may affect the housing market over time, and develop strategies to address the current and future needs of the community, with the overall goal of ensuring that housing opportunities are provided for households of all types, ages, and income levels. Results of the housing study will be available at the end of PY2022 and

will help the City identify barriers starting in PY2023.

## Discussion

In April of 2022, the City of Surprise Economic Development Department in partnership with the Community Development, created an estimate of **multifamily project growth** in the City of Surprise to better inform conversations and discussions of affordable housing.

The report estimated approximately **10,090 multifamily units covering 45 distinct citywide projects** are either in due diligence, scheduled for concept review, in development review, or approved for construction/under construction in the City of Surprise. In addition, single-family residential development in Surprise has also maintained a robust pace. Since July 2021, Surprise has approved 2,058 single-family homes for construction.

### Multifamily Projects in the City of Surprise:

| <u>Phase of Development</u>        | <u>Multi-family Projects</u> | <u>Units</u>  |
|------------------------------------|------------------------------|---------------|
| Due Diligence                      | 5                            | 801           |
| Concept Meeting                    | 18                           | 2,964         |
| Under Review                       | 11                           | 4,237         |
| <u>Approved/Under Construction</u> | <u>11</u>                    | <u>2,088</u>  |
| <b>Total</b>                       | <b>45</b>                    | <b>10,090</b> |

The growth of all housing opportunities, but particularly affordable options, remains a significant topic with the many retail/commercial, healthcare, and employment projects that are being recruited to the community.

## Introduction

The City of Surprise continues to focus on the needs of low- and moderate-income residents and to provide needed services that will help improve their lives.

## Veterans, Disability, and Human Services Commission

In 2018, the City Council voted to disband the Disability and Advisory Commission and expand it into a new commission, the Veterans, Disability, and Human Services Commission. The expanded commission is charged with assisting in the development and/or expansion of city programming related to veterans, people with special needs, and those in need of general human services and workforce development.

In January of 2021, the Veterans, Disability, & Human Services Commission finalized their Strategic Plan. The Strategic Plan aligns with the Community Needs Assessment and will provide recommendations to the Surprise City Council for prioritization of enhanced service delivery infrastructure with the City of Surprise. These recommendations will be based on the expertise of the Commission, as well as the data and highlighted needs outlined in the assessment.

## Surprise Community Outreach Program

In an effort to support and grow the quality of life in Surprise, the Mayor and City Council offer the Surprise Community Outreach Program (SCOP). The program provides financial assistance to qualified nonprofits that provide direct services to City of Surprise residents. The Surprise City Council set aside up to \$100,000 for FY23. Applicants must provide direct services which improve the health and welfare of Surprise residents.

## Actions planned to address obstacles to meeting underserved needs

The City of Surprise Resource Center provides a central location for local service providers to reach out to persons experiencing homelessness. The Surprise Resource Center is a one-stop-shop for social services. Through strategic partnerships with a growing number of community-based organizations and government agencies, the Center offers Surprise residents connections to services that include everything from rent and utility assistance to employment support to food and nutrition resources. During COVID-19, the Resource Center has administered the federal rental and utility assistance received from Maricopa County, for Surprise and El Mirage residents.

Programs offered at the Resource Center include:

- Community Action Program (CAP) for Surprise and El Mirage, Sun City, Sun City West,

Waddell, and Wittman

- Arizona@Work Maricopa County, All Employment Assistance
- Eve's Place - mobile domestic violence advocacy services, A New Life Center – DV support groups
- Adelante Healthcare – WIC Services & Eligibility Assistance
- Helping Families in Need (SNAP, TANF, AHCCCS, ACA, KidsCare)
- St. Mary's Food Bank (TEFAP), and KidsCafe

- Your Sure Foundation – Housing & Financial Education
- Fresh Start Women's Center – Case management for Women
- A New Leaf – Volunteer Income Tax Assistance

In January of 2021, the VDHS Commission completed a Strategic Plan for addressing the needs identified in the Needs Assessment. To help evaluate the Strategic Plan progress through PY 2022, Vitalyst Health Foundation invited both internal City staff, as well as external stakeholders to evaluate the City through its Elements of Healthy Community Wheel at two stakeholder meetings. The Health Community wheel was designed and developed by Vitalyst Health Foundation in collaboration with community partners. The elements are inspired by the work of the World Health Organization and the Centers for Disease Control. Information gathered during this evaluation will help the Commission update its Strategic Plan and continue addressing the needs of the community.

### **Actions planned to foster and maintain affordable housing**

The preservation of existing affordable housing is one of the most impactful investments the City can make in fostering affordable housing. The City will partner with a non-profit housing provider to acquire and rehabilitate existing homes and create homeownership opportunities for low- and moderate-income households. In 2020, the City partnered with A New Leaf to administer the City's tenant-based rental assistance (TBRA) program to help eligible residents gain stable and affordable housing.

The development of new affordable rental units remains a high priority for the City. In PY 2023 the City will utilize funding from Maricopa County to acquire and create transitional/bridge housing for households who are ready to move out of homelessness while they search for permanent housing. The City will continue to seek out partnerships with housing developers to create new rental unit opportunities.

### **Actions planned to reduce lead-based paint hazards**

The health risks to young children posed by lead-based paint in residential dwellings remains an

important issue for both the housing industry and the public health community to address. The City is committed to addressing the challenges faced by young families living in homes with lead-based paint.

### **Housing Rehabilitation Lead-based Paint**

The City of Surprise lead-based paint evaluation and reduction of lead-based paints involves the following areas: notification, lead hazard evaluation, lead hazard reduction, and clearance. All projects are evaluated for applicability to the Lead-Safe Housing Rule and managed per the standards of the rule. A Housing & Community Services staff member is required to be an EPA certified Risk Assessor in order to be qualified to evaluate homes for lead hazards and review third-party testing when developing projects when lead hazards are present. The City is committed to addressing the challenges faced by young families living in homes with lead-based paint.

### **TBRA Lead-based Paint**

TBRA lead-based paint requirements apply to dwelling units occupied or to be occupied by families or households that have one or more children under age six, the common areas servicing the units, exterior painted surfaces associated with such units, and other areas used by unit residents and frequented by children under age six.

Units with tenant-based rental assistance and households with no children under the age of six are exempt from the requirements, except families and households in all tenant-based rental assistance pre-1978 units must receive the lead hazard information pamphlet and disclosure information.

The City of Surprise TBRA activities for units with families or households that have one or more children under age six must include: notification, lead hazard evaluation, lead hazard reduction, ongoing maintenance, and responding to children with environmental intervention blood lead levels.

### **Actions planned to reduce the number of poverty-level families**

The Surprise Resource Center will continue to be a cornerstone of the support structure for poverty level families in Surprise. The Resource Center is a one-stop-shop for social services. Through strategic partnerships with a growing number of community-based organizations and government agencies, the Center offers Surprise residents connections to services that include everything from rent and utility assistance to employment support to food and nutrition resources.

The City of Surprise will provide short- and long-term rental and utility assistance utilizing HOME and CDBG funding to assist families who are homeless or at risk of becoming homeless to access stable affordable housing. The City's partnership with Lutheran Social Services and HAMC will help families make the transition, and provide stable housing opportunities. The City Council allocated a portion of the American Rescue Plan Act (ARPA) funding for rent and utility

assistance to continue support for low-income families impacted by the pandemic.

The City is committed to the best practice that safe and stable housing is the first step to achieving self-sufficiency and elevating out of poverty. In response to the COVID-19 Pandemic and the resulting affordable housing and eviction crisis, the City partnered with A New Leaf, Maricopa County, and the State of Arizona to establish a Housing Assistance Center. This regional housing center is to prevent and respond to increased homelessness among individuals and families impacted by the COVID-19 pandemic, and to mitigate the spread of the Coronavirus among unsheltered persons, and the community at large. The center will provide non-congregate short term emergency housing, access to Coordinated Entry, rapid re-housing and tenant-based rental assistance. Access to other supportive services will be provided to help move persons into stable housing in under thirty days.

### **Actions planned to develop institutional structure**

The City of Surprise is deeply committed to understanding and providing services to the City's residents. In 2019, the city conducted a Community Needs Assessment with the goal of creating a guiding document which can assist in prioritizing plans, initiatives, and programs to meet growing or unmet human service needs in our city. The Community Needs Assessment was used to help determine needs, goals, and projects for the 2020-2024 Consolidated Plan. The VDHS Commission utilized the Assessment to formulate a strategic plan, which was adopted in January 2021.

The City of Surprise Human Service & Community Vitality (HSCV) Department, Housing & Community Services Division, is responsible for the development of the Consolidated Plan, the Annual Action Plan, and the annual CAPER. Housing & Community Services is adequately staffed to manage the complexities of the program and has a plan of succession when staffing changes. Housing & Community services will work with HSCV staff, other city departments, and Sub-grantees to carry out the Annual Action Plan goals and projects. Housing & Community Services is responsible for monitoring sub-grantee performance and program compliance.

HSCV and Housing & Community Services will work closely with the VDHS Commission to monitor the progress of the Consolidated Plan through annual reviews of the CAPER reporting, and comprehensive review of Annual Action Plans, making adjustments when needed to meet evolving needs.

When funding allows, staff will attend Community Planning & Development program trainings, seminars, and conferences, to grow institutional knowledge and capacity. Training will also be offered to sub-grantees and partners to further strengthen the community's service provider capacity, helping to ensure success.

## **Actions planned to enhance coordination between public and private housing, and social service agencies**

City staff participate and are members of the West Valley Municipal Human Services Collaborative, Maricopa Regional Continuum of Care, and West Valley Human Services Collective. Staff also regularly meet with the Housing Authority of Maricopa County. The regional stakeholders have a strong history of working together to achieve shared community goals. The City of Surprise Resource Center holds quarterly partner meetings to share available resources and coordinate efforts.

The City is a member of Arizona Housing Coalition and is committed to the goal of ensuring safe and affordable homes for all Arizonans. These goals include a functional end to homelessness and providing adequate housing supply. The development of new affordable rental units remains a high priority for the City. The City will continue to seek out partnerships with housing developers and stakeholders to create new affordable housing opportunities.

### **Agenda Wording:**

Consideration and action pertaining to approval of a Substantial Amendment to the City's Neighborhood Stabilization Program (NSP3) Action Plan to reallocate funding between approved activities.

### **Motion:**

I move to approve the Substantial Amendment to the City's Neighborhood Stabilization Program (NSP3) Action Plan.

### **Background:**

The City of Surprise received Neighborhood Stabilization Program (NSP3) funding through the Department of Housing & Urban Development, authorized under the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) of 2010. The goal of the program is to stabilize neighborhoods affected by foreclosures and abandonment through the acquisition, rehabilitation or redevelopment, and resale of Foreclosed or Abandoned Homes or Residential Properties.

A previous amendment to the Action Plan did not clearly define the eligible NSP3 activity. This Substantial Amendment clarifies that the balance of the NSP3 funds will be expended for Acquisition and Rehabilitation of foreclosed or abandoned homes. These homes will then be sold to low-income households at or below 50% AMI as required by the program.

### **Objective Analysis:**

Approval of this item will result in the relocation of funding between eligible actives and clarification for eligible NSP3 uses.

### **Policy Compliant:**

This action is compliant with City and Council policies as well as federal guidelines.

### **Financial Impact:**

There is no financial impact on this item.

### **Budget Impact:**

NSP3 budget authority is already included within the HSCV Department budget.

**FTE Impact:**

**Re:** Substantial Amendment - Neighborhood Stabilization Program (NSP3)

### **Introduction**

The Human Service & Community Vitality Department is completing a Substantial Amendment to the City's Neighborhood Stabilization Program (NSP3) Action Plan to reallocate funding from one activity to another, and to clarify the eligible NSP3 use allowed under the CDBG National Objective requirements. The City currently has \$834,929.80 in NSP3 funding through a combination of Program Income (PI) and Program Funds (PF). No new funding or activity is established under this amendment.

### **Background**

The City of Surprise received Neighborhood Stabilization Program (NSP3) funding through the Department of Housing & Urban Development, authorized under the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) of 2010. The goal of the program is to stabilize neighborhoods affected by foreclosures and abandonment through the acquisition, rehabilitation or redevelopment, and resale of Foreclosed or Abandoned Homes or Residential Properties.

A previous amendment to the Action Plan did not clearly define the eligible NSP3 activity. This Substantial Amendment clarifies that the balance of the NSP3 funds will be expended for Acquisition and Rehabilitation of foreclosed or abandoned homes. These homes will then be sold to low-income households at or below 50% AMI as required by the program.

### **Recommendations**

Staff recommends approval of the NSP3 Substantial Amendment.

### Summary of Substantial Amendment

**Background:** The City of Surprise received Neighborhood Stabilization Program (NSP3) funding through the Department of Housing & Urban Development, authorized under the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) of 2010. The goal of the program is to stabilize neighborhoods affected by foreclosures and abandonment through the acquisition, rehabilitation or redevelopment, and resale of Foreclosed or Abandoned Homes or Residential Properties.

**Description:** The City of Surprise is completing this substantial amendment to reallocate funding from one activity to another, and to clarify the NSP3 eligible use and correlated CDBG eligible activity under which the activity will be completed. The City currently has \$834,929.80 in NSP3 funding through a combination of Program Income (PI) and Program Funds (PF). No new funding or activity is established under this amendment.

Is there any way to legally use this funding to acquire land to enhance or build our long-overdue City Center, akin to what Litchfield Park has done? It seems that the landowners at Civic Center are content to keep building boring boxes with no unique design features. They are not offering any kind of civic gathering spaces to encourage people to visit downtown Surprise. Nobody will go to downtown Surprise who doesn't work there or live there. Barring that, is there a way to use this money to help Ottawa University expand? Of course, any such action should have proper legal vetting.

First off, thank you so much for your comment. Very few people if any take the time to respond to our notices.

We strongly agree with your comments and would love to see City Center built out in an innovative and unique way that gives residents a world class downtown Surprise. Our Planning and Zoning Commission along with our award-winning Economic Development Department has worked very hard to encourage exactly what you are hoping for. I encourage you to follow P&Z and ED Department pages for meetings and notices about downtown development. We also agree that Ottawa University is a vital partner to Surprise. In fact, I have an intern that works for me who we received through partnership with Ottawa.

With that said, unfortunately this funding cannot be used for these purposes. The funding comes from an old stimulus grant received in 2010 during the great recession. It is targeted towards existing foreclosed homes. The program goal states: *the program is to stabilize neighborhoods affected by foreclosures and abandonment through the acquisition, rehabilitation or redevelopment, and resale of Foreclosed or Abandoned Homes or Residential Properties.*

The program is also targeted by census tract, determined by the number of foreclosed homes in the area. Because there are no existing homes in the City Center, the area does not qualify for investment.

Again, thank you for taking the time to comment. We greatly appreciate your feedback and hope to hear from you in the future.

---

### **Motion:**

I move to approve Resolution #2023-40.

---

### **Background:**

During the Fiscal Year 2023 budget process, the Information Technology Department requested budget authority of \$176,000 to remodel their workspace to include three offices and four cubicles. Since that time, Public Works and IT have identified inefficiencies in the original layout and have designed a comprehensive remodel of their working space. The new scope will include six offices, 23 cubicles, a conference room, and an enclosed storage area for surplus items.

---

### **Objective Analysis:**

The remodel of the Information Technology department will boost efficiencies, add space for current and future growth, and safely secure computer surplus. The remodel will also provide needed security and privacy for supervisors and IT divisions working with sensitive data. The furniture that is removed from IT will be used for expansion in other areas of the city.

---

### **Policy Compliant:**

This action is consistent with City and Council policy as it relates to budget amendments and procurement.

---

### **Financial Impact:**

This action will increase the one-time expenditure for this project from \$176,000 to \$426,000 so that the City may contract with a qualified vendor to complete the work for the IT Department.

---

### **Budget Impact:**

This action reallocates spending authority in the amount of \$250,000 from Contingency to project P17090 I.T. Space Remodel. This action represents a transfer of spending authority and does not

increase or decrease the total adopted citywide expenditure budget.

**FTE Impact:**

This action does not change the full-time equivalent count.

### **Agenda Wording:**

Consideration and action pertaining to approval of an Intergovernmental Agreement with the City of Phoenix authorizing support for a Foreign Trade Zone application for the Rinchem Company distribution facility located in Surprise; Resolution #2023-32.

---

### **Motion:**

I move to approve Resolution #2023-32.

---

### **Background:**

The City of Phoenix has a foreign trade zone (FTZ No. 75), and the West Valley has a foreign trade zone, the Greater Maricopa Foreign Trade Zone (FTZ No. 277).

An FTZ allows qualified companies in manufacturing, distribution, or specialized logistics to obtain FTZ designation for their operation. The federal program establishes a secure area considered outside U.S. Customs Territory, helping business operators reduce or defer duties and fees while providing delivery efficiency. In the State of Arizona, companies with an FTZ designation are eligible for real and personal property tax treatment that is generally contingent on support from the local tax jurisdictions. The federal program was established to encourage U.S. industrial development.

The company seeking an FTZ in Surprise has FTZ facilities in Phoenix and Chandler under the Phoenix FTZ. The agreement with the City of Phoenix FTZ will provide the company with continuity of FTZ operations, where if the company was granted FTZ status by the West Valley FTZ, the Greater Maricopa FTZ, the facility in Surprise may experience goods / product delivery inefficiency due to the transfer from different zones, No. 75 and No. 277.

The Greater Maricopa FTZ has not objected to the request by the company seeking Phoenix FTZ in Surprise. The company has agreed not to pursue real and personal property tax reclassification.

---

### **Objective Analysis:**

The agreement aids in the operational efficiency of a company investing and building in Surprise. The company has agreed not to pursue real and personal property tax reclassification. There is no objection from the Greater Maricopa Foreign Trade Zone.

---

**Policy Compliant:**

The project is consistent with the City Council Strategic Plan (Strategy 2.3) by advancing a regional partnership, new business growth, and promotion of the foreign trade zone.

---

**Financial Impact:**

The company's investment in the development of facilities and hiring of employees will generate new sales tax and property tax dollars for the city.

---

**Budget Impact:**

There is no anticipated budget impact related to this item.

**FTE Impact:**

The number of full-time equivalents (FTE) is not impacted by this action.

**INTERGOVERNMENTAL AGREEMENT  
BETWEEN  
THE CITY OF SURPRISE, ARIZONA  
AND  
THE CITY OF PHOENIX, ARIZONA  
TO ESTABLISH SITE WITHIN SUBZONE 75S OF FOREIGN TRADE ZONE 75**

This Intergovernmental Agreement is entered into this \_\_\_\_ day of \_\_\_\_\_, 2023 by and between the City of Surprise, Arizona, a municipal corporation (“Surprise”) and the City of Phoenix, Arizona, a municipal corporation (“Phoenix”).

**I. RECITALS:**

A. Pursuant to A.R.S. § 11-952, as amended, Surprise is empowered to enter into this intergovernmental agreement and has, by resolution, a copy of which is attached hereto as Exhibit A and incorporated herein by this reference, authorized the undersigned to execute this Agreement on behalf of Surprise.

B. Pursuant to A.R.S. § 11-952, as amended, Phoenix is empowered to enter into this intergovernmental agreement and has, by ordinance, a copy of which is attached hereto as Exhibit B and incorporated herein by this reference, authorized the undersigned to execute this Agreement on behalf of Phoenix.

C. Phoenix has received a Grant (Board Order 185, dated March 25, 1982) from the Foreign-Trade Zones Board (the “Board”) to establish FTZ No. 75, and the alternative site framework format for FTZ No. 75 was approved by the Board in a notice published on October 20, 2010 in 75 Fed. Reg. 64708.

D. Surprise does not have a grant of authority to establish a Foreign-Trade Zone.

E. Rinchem Company Inc. (“Rinchem”) plans to construct a distribution facility on certain real property within the City of Surprise located at 13255 W. Sweetwater Avenue (the “Site”) and desires to have the Site designated as a part of Subzone 75S (the “Subzone”). The Subzone currently consists of two sites, one within the boundaries of Phoenix, the other within the boundaries of the City of Chandler. The Site is described and/or depicted in Exhibit C attached hereto. The Site will be utilized as a warehouse/distribution facility. Rinchem seeks the benefits of conducting business within a Foreign-Trade Zone. Rinchem does not intend to pursue or claim the property tax reclassification permitted by A.R.S. § 42-12006(2).

F. Phoenix is willing to submit an application to the Board on behalf of Rinchem (the “Application”) for a minor boundary modification to establish, operate and maintain a subzone site at the Site to demonstrate its interest in a cooperative regional effort to encourage the retention and expansion of business in the greater metropolitan area.

G. Surprise desires to assist Rinchem in obtaining approval from the Board to establish, operate and maintain a subzone site at the Zone Site.

NOW, THEREFORE, in consideration of the promises and mutual agreements contained and described herein, the parties agree as follows:

## II. **AGREEMENTS:**

### **1. PURPOSE**

1.1 The purpose of this Agreement is to memorialize Surprise's and Phoenix's agreement to work together to assist Rinchem in its efforts to have the Site designated as part of the Subzone and to assure Phoenix that the establishment, operation and maintenance of subzone status at the Site, including any unsuccessful efforts made in respect thereto, shall be accomplished without any cost or liability whatsoever to Surprise or Phoenix.

### **2. SURPRISE'S RESPONSIBILITIES**

2.1 To facilitate the negotiation and amendment of the existing Foreign-Trade Zone Operations Agreement ("Operating Agreement") between the City of Phoenix and Rinchem as may be necessary to comply with this Agreement.

2.2 To support the Application process.

2.3 To notify Phoenix if Surprise desires that Phoenix enforce its right to terminate the Operating Agreement, after notice and a 30-day cure period, if Rinchem, without prior approval of Surprise, in breach of the Operating Agreement, either seeks and/or obtains property tax classification under Arizona Revised Statutes § 42-12006(2) for real or personal property at the Site.

2.4 To take all action requested by Phoenix related to the enforcement of the provisions referred to in Section 2.3, above, and to indemnify, defend and hold Phoenix, its departments, agents, officers or employees harmless from and against any loss, expense, damage or claim resulting from or arising out of the performance or enforcement of the provision in the Operating Agreement required under Section 3.4 below.

### **3. PHOENIX'S RESPONSIBILITIES**

3.1 To conduct its operations in good faith with Rinchem.

3.2 After filing the Application for the Site, to amend the Operating Agreement with Rinchem to include operations at the Site.

3.3 To provide in the Operating Agreement that Rinchem must be responsible for all costs related to the Site that are incurred by Phoenix and/or Surprise.

3.4 To provide in the Operating Agreement that Phoenix may terminate the Operating Agreement if Phoenix is advised by Surprise that Rinchem has sought and/or obtained property tax classification under A.R.S. § 42-12006(A)(2).

#### **4. ADDITIONAL AGREEMENTS**

4.1 The Parties acknowledge that 15 C.F.R §400.49 provides for monitoring and reviews of foreign trade zone operations and activity. Section 400.49(c) provides that the Board or the Commerce Department's Assistant Secretary for Import Administration may restrict or prohibit zone activity that it finds is no longer in the public interest and, pursuant to 14 C.F.R. § 400.61, the Board has the authority to revoke a grant of authority to operate a zone, for cause.

4.2 Surprise and Rinchem have determined that if Rinchem seeks and obtains property tax classification under the Reclassification Statute in breach of the Operating Agreement, such action would be detrimental to the public interest.

#### **5. INDEMNIFICATION**

5.1 To the extent permitted by law, each party will indemnify and save the other party harmless, including any of the parties' departments, agencies, officers, employees, elected officials or agents, from and against all loss, expense, damage or claim of any nature whatsoever which is caused by any activity, condition or event arising out of the performance or non-performance by the indemnifying party of any of the provisions of this Agreement.

5.2 Each party, in all instances, shall be indemnified against all liability, losses and damages of any nature for or on account of any injuries or death of persons or damages to or destruction of property arising out of or in any way connected with the performance or non-performance of this Agreement by the other party, except such injury or damage as shall have been occasioned by the negligence of that other party. The damages incurred by the other party, their department, agencies, officers, employees, elected officers or agents shall include in the event of any action, court costs, expenses for litigation and reasonable attorneys' fees.

#### **6. DURATION**

6.1 Term. The term of this Agreement shall begin on the date executed and approved by both parties and shall remain in effect for the same term as the Operating Agreement, unless terminated sooner pursuant to the terms of this Agreement.

#### **7. GENERAL PROVISIONS**

7.1 Conflict of Interest. This Agreement is subject to cancellation pursuant to the provisions of A.R.S. § 38-511.

7.2 Immigration Law Compliance Warranty. As required by A.R.S. § 41-4401, each party hereby warrants its compliance with all federal immigration laws and regulations that relate to its employees and A.R.S. § 23-214(A). Each party further warrants that after hiring an

employee, it verifies the employment eligibility of the employee through the E-Verify program. If either party uses any subcontractors in performance of the Agreement, subcontractors shall warrant their compliance with all federal immigration laws and regulations that relate to its employees and A.R.S. § 23-214(A), and subcontractors shall further warrant that after hiring an employee, such subcontractor verifies the employment eligibility of the employee through the E-Verify program. A breach of this warranty shall be deemed a material breach of the Agreement subject to penalties up to and including termination. A party shall not be deemed in material breach if it and/or its subcontractors establish compliance with the employment verification provisions of Sections 274A and 274B of the federal Immigration and Nationality Act and the E-Verify requirements contained in A.R.S. § 23-214(A). Each party retains the legal right to inspect the papers of the other party and/or its subcontractor engaged in performance of this Agreement to ensure that the other party and/or its subcontractor is complying with the warranty. Any inspection will be conducted after reasonable notice and at reasonable times. If state law is amended, the parties may modify this paragraph consistent with state law.

7.3 Notices. All notices, demands and communications given or to be given, by either party to the other, shall be given in writing, by certified mail, and shall be addressed to the parties at the addresses hereinafter set forth, or at such other address as the parties may by written notice hereafter designate. All notices shall be deemed received upon actual receipt or three (3) business days after deposit in the United States mail, whichever date is earlier. Notices shall be addressed as follows:

## **FIRST AMENDMENT TO OPTION AND LEASE AGREEMENT**

This First Amendment to Option and Lease Agreement ("First Amendment") is entered into by and between the City of Surprise, an Arizona municipal corporation ("City"), and T-Mobile West Tower LLC, a Delaware limited liability company, by and through its attorney in fact, CCTMO LLC, a Delaware limited liability company (collectively referred to as "Lessee"). City and Lessee may be referred to herein each as a "Party" and, collectively, the "Parties."

### **RECITALS**

WHEREAS, City and VoiceStream PCS III Corporation, a Delaware corporation ("Original Lessee") entered into an Option and Lease Agreement dated November 5, 2003 (the "Agreement"), whereby Original Lessee leased certain real property, together with access and utility easements, located in Maricopa County, Arizona from City (the "Property"), all located within certain real property owned by City ("Parent Parcel");

WHEREAS, T-Mobile West Tower LLC is currently the lessee under the Agreement as successor in interest to the Original Lessee;

WHEREAS, the Property may be used for the purpose of constructing, maintaining and operating a communications facility, including tower structures, equipment shelters, cabinets, meter boards, utilities, antennas, equipment, any related improvements and structures and uses incidental thereto;

WHEREAS, the Agreement had an initial term that commenced on April 26, 2004, and expired on April 25, 2014. The Agreement provides for two (2) extensions of five (5) years each, both of which were exercised by Lessee. According to the Agreement, the final extension expires on April 25, 2024;

WHEREAS, City and Lessee desire to amend the Agreement on the terms and conditions contained herein.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, City and Lessee agree as follows:

### **FIRST AMENDMENT**

1. Recitals; Defined Terms.

- 1.1. The foregoing Recitals are incorporated by reference, as if fully set forth in this First Amendment.
- 1.2. Any capitalized terms not defined herein shall have the meanings ascribed to them in the Agreement.

2. Term. Section 3(b) of the Agreement is hereby deleted in its entirety and the following provision shall be inserted in its place:

This Agreement shall be automatically extended for eight (8) successive five (5) year periods (each an "Extended Lease Term") under the same terms and conditions set forth herein, unless Lessee notifies City of its intention not to

exercise its option to renew at least ninety (90) days prior to the expiration of the then-existing term.

City and Lessee hereby acknowledge that Lessee has already exercised the first two (2) Extended Lease Terms, leaving a balance of six (6) Extended Lease Terms, with the final Extended Lease Term expiring on April 25, 2054.

3. Annual Escalation. Commencing on April 26, 2024, and on each April 26th thereafter (each an "Adjustment Date"), the monthly rent shall increase by an amount equal to three and one-half percent (3.5%) of the monthly rent in effect for the month immediately preceding the Adjustment Date until the Adjustment Date in 2034, at which time the monthly rent will increase by four percent (4%) annually.

The Parties hereby acknowledge that Lessee's monthly rent at the end of the second Extended Lease Term (ending on April 25, 2024) will be One Thousand, Seven Hundred Fifty-Three and 51/100 Dollars (\$1,753.51) per month, pursuant to Section 3(c) of the Agreement.

By way of example only: Lessee shall pay to City One Thousand, Eight Hundred Fourteen and 88/100 Dollars (\$1,814.88) per month for the April 26, 2024 through April 25, 2025 year, which amount is equal to a three and one-half percent (3.5%) escalation to the rent paid during the month preceding the third Extended Lease Term in accordance with the first paragraph of this Section.

4. Appraisal Option. Upon six (6) months' written notice prior to the commencement of the fifth (commencing on April 26, 2034), and seventh (commencing on April 26, 2044) Extended Lease Terms, City shall have the option, at City's sole cost and expense, to obtain an independent valuation of the Property to determine an appropriate monthly rent (the "Appraisal Option"). In the event City exercises the Appraisal Option, an appraisal of the Property shall be made by a professional, independent real estate appraiser specializing in valuation of commercial properties and telecommunication facilities in Maricopa County selected by City. City may, in its discretion, elect to make use of the appraised value as the new rent, effective as of the commencement of the applicable Extended Lease Term following the appraisal. (By way of example only: If the Appraisal Option is exercised prior to the commencement of the third Extended Lease Term, the new appraisal-based rent will begin upon the commencement of the third Extended Lease Term.) The rent shall be increased annually thereafter in accordance with Section 3 of this First Amendment. In the event City does not elect to make use of the appraised value as the new rent, the rent shall continue to be escalated annually in accordance with Section 3 of this First Amendment, as if the appraisal did not occur, and City shall not be obligated to disclose the amount of the appraised value to Lessee.
5. Conditional Signing Bonus. Lessee will pay to City a one-time amount of Ten Thousand and 00/100 Dollars (\$10,000.00) for the full execution of this First Amendment ("Conditional Signing Bonus"). Lessee will pay to City the Conditional Signing Bonus within thirty (30) days of the full execution of this First Amendment.
6. DISH Wireless. Pursuant to Sections 3(e) and 4(j) of the Agreement, City hereby consents to the collocation of DISH Wireless L.L.C. ("Dish Sublessee") at the Property, as more fully described in the drawings attached hereto as Exhibit A-1, which is hereby incorporated by reference, and subject to all applicable permits, processes, and other approvals required

by the City. Notwithstanding the foregoing, the consent for the collocation of the Dish Sublessee at the Property shall not be in lieu of any federal, state, and/or local law, rule, or regulation or any other requirement of the City in its governmental capacity, including, without limitation, all applicable permits, processes, and/or approvals required by the City for the lawful collocation by the Dish Sublessee. Failure to obtain all required permits or other approvals or to comply with all applicable processes may revoke the consent of collocation stated in this paragraph, in the City's sole discretion. The Dish Sublessee shall be subject to all terms and conditions of the Agreement and any exhibits and amendments thereto, including, without limitation, this First Amendment and its exhibits.

7. Sublessees. For every City-approved sublessee that leases space from Lessee under the Agreement on or after the full execution of this First Amendment ("Sublessee(s)"), including the DISH Sublessee, Lessee shall pay to City thirty-five percent (35%) of the rental, license or similar payments paid by the Sublessee to Lessee to sublet all or a portion of the Property (excluding any reimbursement of taxes, construction costs, or installation costs), at the same time the Lessee's Rent is due (in either case, the "Sublessee Rent"). In no event shall the rental, license or similar payments paid by the Sublessee to Lessee be less than One Thousand and 00/100 Dollars (\$1,000.00) per month. Non-payment of such rental, license or other similar payment by a Sublessee shall not be an event of default under the Agreement; provided that Lessee shall diligently pursue any and all rental, license or similar payments not actually received by Lessee from a Sublessee when due. In the event a Sublessee fails to make any rental, license or similar payment to Lessee for a period exceeding sixty (60) consecutive days, Lessee shall have the option to either (i) pay such amount due to City, or (ii) diligently require and ensure removal of the non-paying Sublessee from the Property. There shall be no express or implied obligation for Lessee to sublease, license or otherwise allow occupancy of the Property. In the event a Sublessee's sublease or license expires or terminates, Lessee shall no longer be obligated to pay the Sublessee Rent for the applicable Sublessee.
8. Business Summary Report. Once per calendar year, City may submit a written request to Lessee for a business summary report pertaining to Lessee's rent obligations for Sublessees for the prior twelve (12) month period, and Lessee shall provide such written report to City within sixty (60) days after Lessee's receipt of such written request. City shall send such written request to the notice address set forth in this First Amendment.
9. First Additional Lease Area. The existing Property is hereby expanded in size to include additional space, which consists of an eighty-two (82) square foot parcel of real property adjacent to the existing Property at a location more particularly depicted on Exhibit A-2 attached hereto (the "First Additional Lease Area"). All references to the Property in the Agreement shall be deemed to include the existing Property and the First Additional Lease Area. Notwithstanding anything to the contrary in this First Amendment, Lessee is not relinquishing any rights to any lease area, access easements, and/or utility easements that it possesses prior to the date of this First Amendment. In the event the location of any of Lessee's or its sublessees' existing improvements, utilities, and/or access routes are not depicted or described on Exhibit A-2, Lessee's leasehold rights and access and utility easement rights over such areas shall remain in full force and effect to the extent covered by the original area defined in the Agreement and the Property shall be deemed to include such areas.
10. Right to Return the First Additional Lease Area. Lessee shall have the option, upon thirty (30) days' prior written notice to City, in its sole and absolute discretion, to return the First

Additional Lease Area to City and to terminate the agreement of the same by removing all improvements from the First Additional Lease Area and returning same to its condition as of the date of full execution of this First Amendment, ordinary wear and tear excepted (the "Return of the First Additional Lease Area").

11. Notices.

11.1. Lessee's notice address as stated in Section 4(p) of the Agreement is hereby amended to read as follows:

11.2. All references to City's "Director of Community and Recreation Services" and/or the "Director of Community and Recreation Services Department" in the Agreement shall be amended and replaced with City's "Director of Sports and Tourism Department."

12. Title to Lessee Improvements: Surrender of Property. The last two sentences of Section 4(s) of the Agreement, and only those sentences, shall be amended to read as follows:

Upon the expiration or termination of this Agreement, Lessee shall remove its buildings(s), tower(s), and all improvements (including without limitation, all subsurface/subterranean materials) to all depths (conduits and footings excluded), unless otherwise requested by City as set forth below, and Lessee shall restore the Property and any other affected property to its original condition, reasonable wear and tear excepted, within ninety (90) days. City shall have the right to require Lessee to remove its buildings(s), tower(s), and all improvements, including without limitation, all subsurface/subterranean materials, upon notice to Lessee prior to the expiration or termination of this Agreement. City may elect to retain the buildings or the Pole upon notice to Lessee prior to the expiration or termination of this Agreement. In the event City elects to retain the Pole, Lessee shall, upon Lessee's removal of its equipment from the Pole, transfer ownership of the existing Pole to the City by a Bill of Sale and City will tender to Tenant the amount of One and 00/100 Dollar (\$1.00) for the Pole.

13. Termination. In addition to the methods of termination described in Section 4(r)(4) of the Agreement, City may also terminate the Agreement as follows:

5) City in its sole discretion; provided City and Lessee acknowledge and agree that this Agreement in no way prevents public safety agents from acting within their capacity in the event of public health or safety issues; or, (6) This Agreement may be terminated on two (2) years' prior written notice by City in the event the City determines in good faith that the Property is needed for public purposes.

14. Notice of Offers. If City receives an offer that it intends to accept to purchase fee title, an easement, a lease, a license, or any other interest in the Property, or City's interest in the Agreement, or an option for any of the foregoing, City shall provide written notice to Lessee no later than thirty (30) days prior to City accepting said offer.

15. Eminent Domain. If City receives notice of a proposed taking by eminent domain of any portion of the Property, City will notify Lessee of the proposed taking within ten (10) calendar days of receiving said notice and Lessee will have the option to: (i) terminate this Agreement, pending completion of all of its obligations hereunder and subject to any liabilities that Lessee may have under the Agreement that arise prior to the date of termination; or (ii) remain in possession of that portion of the Property that will not be taken.

16. City's Cooperation. If requested by Lessee and required by the governmental authority, City will, in its proprietary capacity as the fee simple owner of the Property, reasonably review and if deemed acceptable by the City, in its proprietary capacity, execute, at Lessee's sole cost and expense, all documents required by applicable governmental authority in connection with any development of, or construction on, the Property, including documents necessary to petition the appropriate public bodies for certificates, permits, licenses and other approvals deemed necessary by Lessee to utilize the Property for the purpose of constructing, maintaining and operating communications facilities, including without limitation, tower structures, antenna support structures, cabinets, meter boards, buildings, antennas, cables, equipment and uses incidental thereto. If Lessee requests City's execution of documentation related to a project that requires City's approval under the Agreement in City's proprietary capacity as the landowner, City will not be obligated to execute such documentation until City has approved the project in its proprietary capacity as the landowner. City shall be entitled to no further consideration with respect to any of the foregoing matters.

17. IRS Form W-9. City agrees to provide Lessee with a completed IRS Form W 9, or its equivalent, upon reasonable request by Lessee. In event the Property is transferred by City to a new owner, City will reasonably request that the succeeding lessor provide Lessee with a completed IRS Form W-9, or its equivalent, and other related paperwork to effect a transfer in the rent to the new lessor.

18. City Property. Section 1 of the Agreement shall be amended to read as follows:

The City property (the "Property") that is subject to the terms and provisions of this Agreement is identified and described in Exhibit A, herein incorporated by this reference as if fully set forth herein.

19. Force Majeure. Except for payment for sums due (unless City fails to perform under the Agreement due to a force majeure event), neither Party will be liable to the other nor deemed in default under the Agreement if and to the extent that such Party's performance

of the Agreement is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God: acts of the public enemy; war; acts of terror, hate crimes affecting public order; riots; strikes; mobilization; labor disputes; civil disorders; plague; pandemics (including without limitation, the COVID-19 pandemic); epidemics; quarantine orders or directives by a governmental entity; outbreaks of infectious disease or any other public health crisis, including without limitation, quarantine or other similar employee restrictions if employees are prevented from working in-person and remotely; fire; floods; lockouts; injunctions-interventions-acts; or failures or refusals to act by government authority (excluding City in its proprietary capacity); events or obstacles resulting from a governmental authority’s response to the foregoing (excluding City in its proprietary capacity); and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence. The force majeure notifies the other party of the existence of the force majeure and will be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with this Agreement.

20. Environmental Insurance. In addition and subject to the insurance requirements set forth in Section 4(f) of the Agreement, Lessee shall also maintain Environmental Liability insurance in the amount of One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) in the combined aggregate.

21. Ratification.

21.1. City and Lessee agree that Lessee is the current lessee under the Agreement, the Agreement is in full force and effect, as amended herein.

21.2. The parties hereto represent and warrant that each party is duly authorized and has the full power, right and authority to enter into this First Amendment and to perform all of their respective obligations under the Agreement as amended.

22. Remainder of Agreement Unaffected. The Parties hereto acknowledge that except as expressly modified hereby, the Agreement remains unmodified and in full force and effect. In the event of any conflict or inconsistency between the terms of this First Amendment and the Agreement, the terms of this First Amendment shall control. The terms, covenants and provisions of this First Amendment shall extend to and be binding upon the respective executors, administrators, heirs, successors and assigns of City and Lessee. This First Amendment may be executed simultaneously or in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.
