CONSENT AGENDA:

None

REGULAR AGENDA ITEMS NON-PUBLIC HEARING:

Item 1 – Internal – Consideration and action pertaining to the November 14, 2018 Disability Advisory Commission Meeting minutes.

Assistant City Attorney Hobie Wingard explained that we no longer have a quorum but we meet state requirement for minute taking as long as it has been recorded, either written or video, which we have both. So an official approval is not necessary, therefore no further action is needed for the November 14, 2018, Disability Advisory Commission Meeting minutes

Item 2 – Internal - Consideration and action pertaining to the April 10, 2019 Veterans, Disability and Human Services Commission Meeting minutes.

Commissioner Chandler made a motion to approve the April 10, 2019 Veterans, Disability and Human Services Commission Meeting minutes. Commissioner Hanzel seconded the motion. The motion passed with nine yes votes.

Item 3 – Citywide - Presentation and discussion pertaining the overview of the Military Veterans Success Center.

Community Partnerships Manager Paul Bernardo introduced Nisha Dorsey from the Military & Veteran Success Center.

Ms. Nisha Dorsey gave a brief overview of the support services and resources they provide to active duty, veterans and family members. She gave a detailed report on how many military members assessments are done monthly and the process of developing an individualized plan for the member.

Chair Van de Langeryt asked if the Military & Veteran Success Center provided support with CHAMPVA and Tricare for those who are having difficulties receiving care. Ms. Dorsey indicated that they are able to advocate and provide help to navigate the process better but ultimately VA has the final decision.

Commissioner Hanzel asked if the Military & Veteran Success Center is connected with the City of Surprise Veteran Job Club. Ms. Dorsey indicated that they did have a partnership with Commissioner Witzel in his role with Maricopa County. She was not sure what the status is currently but they are open to partnerships with anyone who is willing to help military members. Commissioner Hanzel asked if there was one thing the City of Surprise could do to help with their mission what would it be. Ms. Dorsey explained that the partnership with the City of Surprise, especially the Human Services Department, is amazing and she would like to see the partnership continue.

Commissioner Short asked if the Military & Veteran Success Center has the capacity to deal with crisis intervention for military veterans and their families. Ms. Dorsey responded that they receive crisis line referrals from Be Connected but she would like to be able to provide crisis counseling services with an internal counselor at the center.

Commissioner Hertzog asked if reservists are included in the people the Military & Veteran Success Center serves. Ms. Dorsey indicated that they serve everyone who has served but it may be somewhat difficult to navigate resources or resources may be limited for reservist

and National Guard members but the Military & Veterans Success Center do their best to support them.

Commissioner Perry asked if it was easier for people to call or walk in to receive service. Ms. Dorsey explained that calling is preferred to schedule an appointment because of limited staff but they will take walk ins.
